Olin Chemicals/McIntosh Plant Site
McIntosh, Alabama

Dear Ms. Smith:

After the changes to the Sampling and Analysis Plan (SAP) submitted June 25, 1992, were finalized, W. A. Beal of Woodward-Clyde prepared the attached reference. It provides a cross-reference between the location in the SAP that a change was made and the numbered comment in your letter of May 21, 1992. I will follow this fax up with a mailed version, including the distribution below. I hope you find this helpful in expediting your review of the SAP.

Sincerely,
